To,

The Deputy Commissioner,
Singhbhum East,
Jamshedpur, Jharkhand.

Sub: Adoption of provisions of the RFCTLARR Act, 2013
in place of existing R&R Policy, 2006 in UCIL- reg.

Dear Sir,

This has reference to adoption of Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (in short "RFCTLARR Act, 2013") by UCIL Management relating to Land acquisition, Compensation, Rehabilitation and Resettlement etc. for upcoming projects of Jharkhand region keeping in view the projected nuclear power programme of the country.

This will replace and substitute the guidelines of "Rehabilitation and Resettlement Policy of 2006" presently implemented in the corporation for the acquisition process of private land.

The basic provision of the above act will not only simplify the steps of acquisition process but also determine some significant benefits for public as well as entrepreneurs.

However, it may be ascertained that any previous obligations, if any, pertaining to the "Rehabilitation & Resettlement Policy of 2006" shall be dealt for land displaced persons based on the guidelines framed thereunder.

This is submitted for your kind information and necessary record please.

Thanking you.

Yours truly,
For Uranium Corporation of India Limited
