For Chairman and Managing Director  
URANIUM CORPORATION OF INDIA LIMITED

Job : **Cleaning of package Boiler, bearing Serial No: BR-8875 & BR-8876 (Make – Thermax), with suitable chemicals and brushing**

**1. Scope of work:**

All inside wet surface comprising of boiler tubes, shell drum and furnace etc. should be cleaned for scale deposition by suitable chemical cleaning, without damaging the parent metal. The other surfaces of boiler tubes smoke chambers and furnace etc. should be cleaned for soot deposition by brushing as per the standard procedure. The above cleaning must be thorough and approved by the Boiler Inspector. Submission of renewed boiler operation certificate, from Chief Inspector / inspector of boilers, Govt. of Jharkhand, with validity of one year from the date of issue of certificate is in bidder's scope of work.

**2. Quantity:**

**04 (four) Nos** - 02 (two) numbers boilers to be cleaned twice in a year at a interval of six months

**3. Completion time:**

Cleaning work of each boiler shall be completed in all respects within 5 to 7 days from the date of giving shutdown of each boiler. Only one boiler will be handed over for cleaning work at a time. The next boiler will be handed over only after completion of work of previous boiler including issue of certification.

The date for inspection of the above boilers by Boiler Inspector shall be fixed and confirmed by the contractor and accordingly cleaning job in all respects shall be completed before the inspection date.

The cleaning, inspection and certification of the boilers shall be completed within fifteen days of intimation or before date of expiry of last certification.

SI. No.	Boiler No.	Maker's No.	1 <sup>st</sup> cleaning *	2 <sup>nd</sup> cleaning *
1.	BR-8875	SM-80/10.54/06	Oct./ Nov.-2014	March-2015
2.	BR-8876	SM-80/10.54/07	November-2014	May-2015

\*Exact dates will be confirmed by Engineer-in-charge as per requirement. Above is tentative schedule of cleaning.

**Each boiler will be cleaned twice in a year as per above schedule. Hence total number of cleaning is four numbers.**

**4. Tools, tackles, machines and chemicals:**

All the required tools, tackles, pumps, brushes, chemicals and other materials required to complete the above work are to be arranged by you at your own cost.

**5. Free supply by UCIL:**

UCIL will supply the required water, electric power, light and empty drums at free of cost for this job.

**6. Transportation, handling and storage of materials and tools/machines etc:**

You will have to arrange for the transportation (including loading & unloading), handling and storage of all your tools, tackles, pumps and chemicals etc. at your own cost.

**7. Rate:**

Please submit your rates for the aforesaid job of chemical cleaning on lump sum basis for each boiler. The tenderer should mention their price/item rates in figures as well as in words. Price quoted shall be firm till completion of the work and no escalation on any account shall also be payable under this contract. The rates shall be inclusive of all taxes and duties including service tax, if applicable.

**8. Taxes:**

The quoted rate shall be inclusive of all taxes & duties including service tax, if applicable. Imposition of any new taxes/duties by the State Govt. of Central Govt. during the contract execution period will also be paid by the contractor. Hence, no other taxes and duties would be paid extra.

**9. Terms of payment:**

The payment will be made after satisfactory completion of cleaning work of each boiler in all respect and certification by the Boiler Inspector within 30 days of submission of clear invoices (in triplicate) & boiler certificate of one year validity. Against this work order maximum four bills are allowed.

**10. Validity:**

The offer should remain valid for a minimum period of 'three months' from the date of opening of the final price part. The bidder shall not be allowed to amend his tender within this period and if he does so the offer may be rejected.

**11. Insurance:**

The contractor shall insure and maintain insurance against his liability for accident or injury to workmen or machineries used for the work and shall submit 'two copies' of the policy and the receipts of premiums paid or satisfactory evidence of insurance coverage valid for three months contract period at a time for all the persons to be engaged at their cost to the Engineer-In-Charge, UCIL before the commencement of the work. The contractor will not be allowed to carry out any activity without necessary insurance coverage of their persons. Insurance policy shall also indemnify UCIL against any claim raised by the injured/affected workmen or his family.

**12. Indemnity:**

Contractor will fully indemnify the Corporation against all responsibility and liability whatsoever arising out of accident/injury to contractor's workmen, third party or to Corporation's personnel and properties.

**13. Safety:**

Contractor will take full safety measures and arrange the necessary safety gadgets/appliances, tools and tackles, helmet, gumboot, safety belt, goggles, gloves, apron, ladders, bamboos, ropes, machineries, scaffolding etc. required for the work by their own so as to ensure that no damage, loss or injury to Corporation's personnel, contractor's personnel, third party or equipment are caused due to the work being carried out by contractor. UCIL shall not provide any safety appliances under any circumstances. The contractor shall be fully responsible for any first aid and emergency treatment or serious medical treatment to his employees. Contractor shall have to bring all their labourers for necessary training in Mill Training Center for two hours before actual commencement of the work. UCIL will provide medical facility on chargeable basis.

**14. Working hours:**

From 8.00 A.M. to 5.30 P.M. on all working days (excluding Sunday and holidays). However, contractor shall be allowed to work beyond 5.30 P.M. depending upon the

urgency but only after obtaining permission from the Engineer-In-Charge, UCIL. No extra claims shall be entertained for working beyond duty hours in such urgency.

**15. Labour acts & rules**

The contractor shall have to provide the facilities under the provision of Contract Labour (Regulation and Abolition) Act, 1970 – Section – 16, 17, 18 and 19, Chapter-V, Welfare and Health of Contract Labour. Contractor will have to comply with provision of Contract Labour (Regulation & Abolition) Act-1970 and rules framed there under.

**16. Safety rules & regulations**

UCIL'S Safety Rules & Regulations and Labour Employment Conditions for contractor's employees will be complied strictly during the execution of various works at site.

**17. Persons to be engaged:**

The contractor will be allowed to start the work only after submission of details of the persons to be employed for this work. Performa of verification form may be obtained from Pass Section, CISF, Main gate, UCIL, Turamdih Mines for necessary verification of each labourers separately for onward transmission to the Competent Authority.

**18. Penalty:**

If the progress of work is not found satisfactory or contractor fail to complete the work within the scheduled time, Corporation reserves the right to terminate the contract and get the balance work done through any other agency at Contractor's risks and costs.

**19. Submission and opening of Tender**

Tender / quotation / bid shall be submitted in a manner asked strictly in accordance with the tender terms & conditions laid down in the Enquiry / Tender document giving full details necessary for assessing their offer. **Contractor shall sign and stamp on each pages of this tender document.** Canvassing in any form is strictly prohibited and disqualify the tenderer for the tender submitted for. Tenders will be rejected, if sealed tender envelopes are not super scribed on the top as per instructions given. **Tenders will not be received after due date and time.** Tenders will not be accepted by Fax. **Tenders submitted without earnest money deposit will be summarily rejected.** If any of the date under this contract is declared holiday, the event scheduled on that day will be automatically shifted on the next

working day. Sealed tenders / quotations in triplicate should be submitted in two parts /envelopes as given below (or as mentioned in our enquiry letter) to the Competent Authority- UCIL. The above envelopes shall be super scribed on the top as **Part-I (Techno Commercial Bid and E.M.D.) and Part-II (Price Bid) respectively with NIT / Enquiry No. & Date / full name of the work / Tender Opening Date / Name & Address of the tenderer.**

**1) Part-I (Techno Commercial Bid and E.M.D.)** envelope shall contain papers / proof of earnest money deposit along with tenderer's covering letter (in duplicate) mentioning the acceptance of all terms & conditions of tender document for executing the subject work. **Contractor shall also attach tender document in original** (scope of work, special conditions, general conditions of contract, UCIL's labour and safety rules), Xerox copies of PAN Card, work orders regarding previous three years experience, successful completion certificates, statement of present status mentioning the value of work in detail, list of tools & tackles, technical personnel, transports and other equipments, balance sheet, income tax clearance certificate for last three financial years, if any and any other documents as deemed necessary (***duly signed and stamped on each page***). **Any deviation from the tender shall be clearly mentioned in the Part-I (Techno Commercial Bid & EMD) under the heading "Deviation".**

**2) Part-II (Price Bid)** envelope shall contain papers of duly signed and stamped **price / rate proposal only in triplicate** along with tenderer's covering letter in duplicate. **Offers with price variation clause will be out rightly rejected.** Tenderer shall quote rates(s) / price(s) as per price format (schedule of items and quantities) enclosed along with tender document. Otherwise, offers of parties quoting without this price format will be out rightly rejected.

Finally both parts shall be inserted into a third cover. And this third envelop shall also be sealed and properly super scribed as Name of the work on the top with Tender/Enquiry Number & Date / Tender Opening Date/ Name and Address of the Tenderer etc. The tenders after receipt shall be opened on the stipulated date and time by the Chairman and Managing Director or his representative in presence of the intending bidders. The price part of the tender will be opened only after evaluation and scrutiny of Techno- Commercial Bid & E.M.D, if required and incomplete offers are likely to be rejected. **The date of opening of Part-II (Price Bid) will be intimated to technically qualified (successful) bidders in advance.**

## **20. Earnest Money Deposit / Security Money Deposit**

Earnest Money **or** Security Money shall be deposited by way of demand draft drawn in favour of "URANIUM CORPORATION OF INDIA LIMITED" payable at Jaduguda

Branch of State Bank of India [Jaduguda Branch Code no 0227] or **in cash** in Accounts Department, UCIL, **if applicable**. **Tenders received without E.M.D. will be summarily rejected.** Earnest Money Deposit shall be converted and adjusted into Security Deposit in the case of successful tenderer. E.M.D. and S.D. shall not bear any interest. The earnest money of unsuccessful tenderers will be refunded on written request in duplicate to the Engineer-in-charge after commencement of work under this contract.

**Security deposit:** Security deposit shall be 10% of order value. You will deposit an amount of 5% of order value (including earnest money already deposited) before starting the work at site. Balance 5% will be deducted from your first running bill so that the security deposit becomes 10% of the order value. Security Deposit will be refunded on written request in duplicate to the Engineer-in-charge after satisfactory completion of the work. Failure to carry out the awarded work shall entail forfeiture of the earnest money and security money entirely.
