2) PRICE VARIATION CLAUSE : (Clause no. 9 of annexure-2)

FOR

a. PVC on material cost

Price will be governed as under:

The basic price in the current month for payment = Basic quoted price + (Monthly average commodity NCDEX price in the preceding month – Basic quoted price).

However for the smooth operation of the contract even if the commodity guar gum is delisted from NCDEX, then the price will be applicable as the last average monthly price of the NCDEX till commodity is delisted provided the variation is not more than +/- 20% of the average price of the last NCDEX price. In case it is found that the variation is more than +/- 20% of the NCDEX price than the average of the preceding month price as published in the local newspaper of Rajasthan viz Nafa Nuksan will be considered. This arrangement will be applicable for the interim period of 4 months from the date of delisting of commodity from NCDEX index or tenure of the contract whichever is less.

b. Submission of monthly NCDEX price:

i. Monthly average commodity price of preceding month will be applicable as per clause no. 9 (a) above for payment towards supply made in the running month. Party must submit monthly NCDEX price of guar gum on regular basis to our Accounts department for payment of material supplied as per PVC formula at 9 (a).

ii. In case of delisting guar gum from NCDEX index and variation more than +/- 20%, the party must submit paper cutting of newspaper “Nafa Nuksan” for getting monthly average rate of guar gum for payment applicable as per PVC formula.
READ

a. PVC on material cost

**Price will be governed as under:**

The basic price in the current month of payment = Basic quoted price + (monthly average commodity NCDEX price in the preceding month – monthly average commodity NCDEX price at the time of offer)

In case of delisting of guar gum power from NCDEX, last monthly average listed price will be considered for applying PVC on material cost and it is applicable for balance order quantity.

Above formula is applicable on the event of variation in price beyond 10%. If the current average monthly NCDEX price remains within 10% of previous month average NCDEX price, variation shall not be considered & PVC shall not be applicable.

Next variation shall be evaluated / seen on the new price for applicability of PVC to grant new basic price.

b. Submission of monthly NCDEX price:

Monthly average commodity price of preceding month will be applicable as per clause no. 9 (a) above for payment towards supply made in the running month. Party must submit monthly NCDEX price of guar gum on regular basis to our Accounts department for payment of material supplied as per PVC formula at 9(a).
