EXPRESSION OF INTEREST (EOI)

Uranium Corporation of India Limited (UCIL), Jaduguda, invites “Expression of interest” from interested operator/agencies for design, installation, commissioning, operation and maintenance of de-centralized/centralized solid waste collection and processing system to showcase their interested based on their understanding and analysis of the diverse waste generated in UCIL premises in Jaduguda, Narwapahar and Turamdih. The waste would include residential waste, institutional waste, waste from vegetable markets, horticulture, waste from street sweeping, food waste from canteens in order to comply with the solid waste (Management and Handling) Rules, 2016 enacted by the Ministry of Environment. The operators/agencies are requested to send their company’s profile along with the details of mechanism/technology and financial implication through which they propose to provide a feasible and sustainable solution on the basis of their understanding and experience may submit the following documents.

1. A letter of interest.
2. Details of technology proposed to be deployed.
3. Details of work done in the related field.

The companies whose approach, technology, mechanism, methodologies, experience and financial capabilities look appropriate shall be called for making presentations.

Mere participation and qualification in EOI will not automatically mean that such tenders are considered qualified.

Full/part work shall be awarded only after getting all statutory clearance from Govt./concerned and getting possession of land under acquisition.

UCIL reserve the right to accept or reject any or all applications, re-invite EOI/or considered the bids/offers from outside of EOI without assigning any reasons whatsoever.

All responses should be sent so as to be received within 20 days from the date of advertisement at the following address. This is also available in our web site www.ucil.gov.in/www.uraniumcorp.in.
