You are requested to submit sealed quotation in duplicate for Hiring of water tanker with driver for Turamdih Mill

- as per Blank Price Format (Annexure – I).

Scope of job:

SPECIAL CONDITIONS OF THE TENDER

1. The water tanker intended to deploy for this contract should be in excellent running condition and complete with good seats, glasses, tyres & stepney etc. and should be provided with driver and helper round the clock. The tanker offered should be the contractor’s own vehicle. The capacity of the tanker should be Minimum 9,000 ltrs. (9 KL capacity). The tanker should be suitable for transportation of drinking water also.

2. The contract would be valid for a period of four months and may be extendable, if necessary. UCIL has the sole right to cancel the contract after giving prior notice of one month to the contractor.

3. The duty of the tanker with driver shall be 08 hours

   Nov to Feb 08AM to 12.30 PM & 1.300PM to 5.00PM.

   March to Oct 08 AM to 1.00 PM & 3.00 PM to 6.00 PM

4. Hire charges for the water tanker shall be paid monthly on submission of contractor’s bill along with duly signed log book which shall be provided by corporation to the successful tenderer..

5. All the documents connected with the vehicles ‘C’ Book, Drivers License etc. should be made available with the vehicle.

6. Driver/Helpers must be well behaved or shall be suitably substituted failing which contract shall be terminated without any prejudice.

7. No accommodation shall be provided for the personnel deployed for Water tanker and the contractor shall be responsible for the same.

8. Tenderers with valid address and telephone number(s) where they can be contacted in all duty hours shall only be considered. Tenderers without valid address and telephone numbers shall be rejected.

9. Vehicle would be used mainly for supply of water to the various sites of Turamdih Mill, Talsa. However, UCIL has the sole discretion to use the vehicle for other mines and projects, colony and also for supply of water to other places as and when required by UCIL. Water tanker shall be used to carry drinking water also.
10. UCIL has the right to inspect the water tanker in detail before processing of the tender and if the quality is not found good, the tender would be rejected without assigning any reason whatsoever. UCIL is the sole authority to decide on the quality of the vehicle.

11. **Taxes & Insurance**: Tenderer should consider all the applicable taxes except GST before quoting their rate. Rate should be quoted considering existing taxes applicable in such type of contract. However any change in taxation with respect to existing rule, during currency of contract shall either be borne by Corporation or be returned to UCIL by contractor as the case may be. Insurance of the vehicle and their personnel shall be provided by successful tenderer at their own cost. UCIL shall not pay taxes of any nature against this work to the contractor. The quoted rate (Fixed rate) must be firm throughout the period of contract.

12. All valid RTO documents, necessary road permit and other documents as required related to commercial vehicles must be available with the contractor and the same should be furnished if required. Incase the vehicle is held up by the police/RTO personnel for an offence against non compliance of law, the responsibility shall be of the contractor. If the vehicle is held up by the police/RTO/any other agency & not being used for UCIL, penalty clause of this special conditions shall apply. Insurance means insurance for vehicle as well as drivers/Helpers.

13. All the maintenance of water tanker will be borne by the contractor at their own expenses.

14. The Engine oil, lubricants as required are to be filled up by the contractor only at their own cost, and no charges would be paid by Corporation.

15. The Diesel consumption rate shall be calculated @ **3 Km run of vehicle in one ltr**, for the tanker. Diesel price shall be re-imbursed as per the actual rate of diesel applicable time to time subject to production of documents from diesel outlet.

The contract amount payable is arrived in two parts. One is fixed cost and other is variable cost.

i) **Fixed cost**:
Tenderer should quote their rate for fixed cost only. Contract amount will be calculated based on fixed cost.

ii) **Variable cost**:

a) **Fuel cost**: To be calculated on the basis of actual run of vehicle as per meter reading as certified by user signed in the logbook. **For example**: If the vehicle has run for **100 KM** on any day for UCIL work, the amount to be reimbursed is equal to \((100/3) \times \text{rate of diesel per ltr}\) for that period as per documentary proof.

b) **Wages reimbursement**: Statutory min. wages applicable for skilled workmen above ground level (applicable as per rule time to time) is to be disbursed to the Drivers of hired vehicle by the contractor for all working days of UCIL on monthly basis thru. an A/c payee cheque / e. Payment mode. Wages shall be disbursed based on actual attendance and overtime if any on UCIL duty as per norms. Reimbursement of actual disbursement of wages will be done by UCIL to the contractor in subsequent month on submission of acquaintance against disbursement of wages duly signed by driver along with copy of cheque / e-payment details. In case of increase of statutory wages then it will be reimbursed to the contractor on actual disbursement of wages to the beneficiary and submission of proof of payment to UCIL.
Note: No escalation shall be payable against this work. Quoted rate for fixed cost shall be firm for entire period of contract or extended period if any.

16. There shall be no restriction on km run by the water tanker.

17. The tanker must be available on Sundays and holidays also. There shall be no holiday for the water tanker. The monthly hiring charges for tankers include Sundays and holidays also in a month. Contractor should quote their rate accordingly.

18. The contractor shall be allowed to take the water tanker for repair/maintenance on one day in a month, i.e., any one Sunday with prior permission of the Engineer—in-charge. For repairing purposes the vehicle shall be allowed a maximum of 50 Kms run only to & fro included per month.

19. The water tanker must be equipped with the following:

- One main valve of 2” size with two ½” tee connection with two ½” valves.
- One main 2” valve connected to one 4” pipe of suitable length with small holes for water spraying.
- One ladder suitable for climbing to open the man hole provided at the top of tank.

20. The tanker is to be parked at Turamdih Mill area as directed by the Engineer—in-charge at the designated place at the risk of the contractor.

21. Identity card/Gate pass would be issued to driver of the vehicle to enter into any UCIL premises.

22. The contractor should comply with provisions of Contract Labour Act (Regulation & Abolition) 1970 and central rules framed there under and minimum wages act 1948.

23. The contractor must ensure that the diesel is filled to the full tank capacity. The vehicle shall not be allowed to go out for filling of diesel. The contractor has to arrange to fill diesel in water tanker at Turamdih Mines main gate for which only half an hour shall be allowed. No fuel or lubricants or any spares shall be provided by UCIL.

24. PENALTY: In case of non availability of the vehicle due to break down, absenteeism or for any other reason attributable to the contractor, a penalty at the rate of hourly rate (derived from the fixed monthly rate) of non availability shall be imposed if suitable substitute is not provided within an hour apart from reducing the non availability period from fixed charge and will be recovered from the payment to be made for actual duty hrs of tanker.

25. The Tenderers are advised to visit the site to acquaint themselves as to the nature and location of the work, the general and local conditions particularly those bearing upon transportation, disposal handling of water, and all other matters which can be of, in any way affect the work the cost thereof under the contract.

26. The contractor has to follow strictly the Government Labour Acts, which are and will be in force during the period of execution of work. All necessary arrangements for Laborers' Security will have to be made by the contractor at his own cost.
27. In case of stoppage of work by local people/Bandh or any other reasons, no idle charges will be paid by corporation towards Labour, Plant and Machinery etc. to the contractor for this work.

28. Unless specifically mentioned otherwise in the contract, the tenderer shall quote for the complete cost towards labour, materials, all taxes, transport, repairs, rectification, maintenance, contingencies, overheads, profits and all incidental items not specifically mentioned but reasonably implied and necessary to complete the contract according to contract.

29. All the labour rules shall be followed strictly as per Contract Labour(Regulation & Abolition) Act, 1970. All registers, forms stipulated under minimum wages Act should be maintained by the contractor and to be furnished to the corporation before commencement of the work. In case of non-submission of above registers/forms to the corporation regularly, contractor will not be allowed to continue to do the work. In the event of the breach of aforesaid conditions, the contractor shall be open for action as deemed fit by the concerned labour authorities of the State/Central Government.

30. In case payment of laborers engaged for this work, has not been made on stipulated payment day, Corporation shall compel the contractor to stop the work and necessary action will be taken.

31. Contractors shall strictly abide by the security rules and regulations enforced by the owner time to time. The contractor shall provide proper identity cards, badges etc. to his employees wherever directed by the Engineer.

32. The 'Engineer' wherever appears in the contract shall mean 'Engineer-in-charge' of the work

33. MEDICAL CARE: The contractor shall be fully responsible for any first aid and emergency medical treatment to his employees. Necessary arrangement for this purpose shall be made by the contractor at the site. In serious cases medical facilities of UCIL may be available on chargeable basis to the contractor.

34. The ‘vehicle’ or ‘tanker’ wherever appears in the contract shall mean “Water tanker (9 KL capacity)” to be deployed at site for the contract.

36. The contractor has to follow strictly the Government Labour Acts, which are and will be in force during the period of execution of work. All necessary arrangements for Labourers' Security will have to be made by the contractor at his own cost. Contractor has to follow EPF & MP act 1952.

37. Overtime.
   I) Vehicle: If vehicle is retained more than duty hrs specified in the work order, an extra amount @ Rs 50/- per hour for light vehicle shall be payable extra.
   II) Driver: Double of hourly rate based on per man day time to time beyond working hrs and Holidays of UCIL. There will not be any overtime payment for Sundays.

38. Payments would be released by RTGS/ e. payment.
