Chairman and Managing Director, Uranium Corporation of India Limited (UCIL), a Govt. of India Enterprises, under the administrative control of Department of Atomic Energy, is planning to set up open-pit mine and processing plant of uranium ore in South West Khasi Hills district of Meghalaya. The project is in the process of approval by the competent authority.

UCIL invites applications for ‘Expression of Interest’ from resourceful and competent Indian Companies/ Joint Ventures/ Consortium for undertaking following activities:

1. Providing consultancy services for obtaining the remaining statutory clearances and pending activities such as consent for establishment, permission for construction water storage with-drawal and use, sanction for power supply, land acquisition, mining lease, forest land diversion, public consultation etc. leading to successful opening of the project and its subsequent uninterrupted operation.

2. Construction of infrastructure facilities such as :-
   - Approach road, bridges and culverts
   - Water Storage arrangement and intake well in the nearest adequate source, pumping and pipeline facility for uninterrupted round the year supply to the project site
   - Raw water treatment plant at the project site
   - Transmission line for Power supply, communication etc.
   - Switch yard for receipt of main electrical power supply for the project

3. Overburden removal (2.60 million tones per annum), excavation in ore body (3,75,000 tonne uranium ore annually) and supply to processing plant.

4. Site development like jungle cleaning, land grading and drainage system of process plant area.

5. Construction of tailings dam and check dam and laying of tailings disposal and effluent transfer pipelines.

6. Construction of non plant buildings and other site facilities like Training centre, Time office, Security barrack, Canteen, Fire station, Store building, Workshop etc.

7. Township and amenities

The above activities need to be carried out in sequential manner to obtain first all statutory clearances followed by construction and operation.
Financially sound Company/ Joint Venture/ Consortium with technical know-how and experience in the relevant field may submit the following documents.

1. A letter of interest.
3. Details of experiences in the related fields.
4. Details of Partnership in case of Joint Venture or Consortium.

The parties applying for Expression of Interest will only be considered for participation in main tender. Short-listed qualified and experienced bidders would be invited for a Pre-NIT meeting.

Mere participation & qualification in EOI will not automatically mean that such tenders are considered qualified.

Execution of work on ground shall commence only after getting all statutory clearances from Govt./ concerned authorities and getting possession of land. The period of contract is likely to be 08 (Eight) years plus extendable by two years for mining activities.

All responses should be sent, so as to be received within 30 (thirty) days from the date of advertisement at the following address:

Shri P.N. Sarkar  
General Manager (Open-pit)  
Turamdih Mine  
P.O.- Sundernagar,  
Dist.: East Singhbhum,
