Thanking you,

For Uranium Corporation of India Limited

(P. K. Dhar)
G.M. (Electrical)
The scope of work includes the following jobs

1. Quarterly checking and servicing of the machines.
2. Replacement of all defective parts including compressors by new parts. This also includes repairing / replacement of all electronic parts like control unit, remote, sensor etc and also plastic parts.
3. Attending to the complaints in machines within a maximum time of 6 hours when called upon by us.
4. All the consumable materials like refrigerant, gas, insulating materials and any other item not specifically mentioned will be supplied by you.
5. It is made very clear that UCIL shall not supply any spare part, material or consumable item.
6. De scaling / cleaning of condensers and chemical cleaning of cooling coils to be done once in a year.
7. Quarterly inspection of bolts, adjusting of tension and replacing the worn out bolts.
8. Painting of equipment covered under this scheme once in a year.
9. The transportation of any machine or parts if required to and fro to your workshop will be arranged by you.
10. In case of a major breakdown in any machine which cannot be rectified within 2 days a service unit shall be supplied and installed till the defective machine is repaired and sent to site.

Other Terms & Conditions

1. The annual maintenance contract shall be valid for one year.
2. The tenderer shall have service tax registration. The Service tax shall be recovered as per the prevailing rules.
3. The quoted price shall be inclusive of all taxes and duties including service tax.
4. The successful bidder shall submit corporate guarantee of non-judicial stamp paper after placement of order.
5. The 100% payment shall be made within 30 days of submission of bill after completion and satisfactory performance of the contract.
6. A penalty as decided by the corporation shall be imposed in case of any default on the part of the contractor during the execution of the contract.
7. The quoted price shall remain firm during the contract period. No revision in price shall be allowed on any ground.
8. The workmen deployed at site shall be covered by insurance against all risks, accidents, damages, losses, claims for compensation etc. arising from contract in question.
9. All labour rules / laws shall be directly followed as per contract labour (Regulation & Abolition) Act, 1970.
10. A security deposit equivalent to 5% of the total value of work shall be deposited before commencement of the work. In addition, a further amount to the extent of 5% of the awarded value of work shall be deducted from the bills so the total amount of security deposit shall be 10% of the value of awarded work. The security deposit shall be released after satisfactory performance and completion of the contract.
