LABOUR EMPLOYMENT CONDITIONS.

NIT No : UCIL/ MECH/BTN/1/14-15

Dated: .15-04-14

LABOUR

01. The contractor shall employ labour in sufficient number to maintain required rate of progress and of quality to ensure workmanship of the degree specified in the contract and to the satisfaction of the engineer-in charge. The contractor shall not employ in connection with the works any persons who has not attained the age of eighteen years.
02. Contractors should employ only the persons with established identity.
03. Dy. commandant, CISF will issue temporary identity cards to persons actually engaged in the work and may exercise checks as considered necessary to ensure that strangers are not permitted inside the work premises, Contractors are required to surrender the identity cards on completion of job to Dy. Commandant, CISF who will issue clearance certificate.
04. CISF control room will not allow any interstate labour as a contact labour in any case.
05. The contractor shall furnish to the Engineer-in-charge at the interval mentioned in schedule-F, a distribution return of the number description by trades of work people employed on the works. The contractor shall also submit on the 4th and 19th of every month to the Engineer In charge a true statement showing in respect of second day of the preceding month and the first half of current month (i) the accident that occurred during the said fortnight showing the circumstances under which they happened and the extent of damage and injury caused by them and (ii) the number of female workers who have been allowed Maternity Benefit as provided in the Maternity Benefit Act 1961 or rules made thereunder and the amount paid to them.
06. The contractor shall pay to labour employed by him wages not less than fair wages as defined in the Contract Labour (Regulation & Abolition) Act. 1970 and Rules made thereunder.
07. The contractor shall in respect of labour employed by him comply with or cause to be complied with the Contract Labour (Regulation & Abolition) Act. 1970 and Rules made thereunder in regard to all matter provided therein.
08. The contractor shall comply with the provisions of the payment of Wages Act 1936 , Minimum Wages Act. 1948 , Employees Liability Act.1938 , Workmen Compensation Act. 1923, Industrial Disputes Act. 1947 , Maternity Benefit Act.1961 and Mines Act.1952 or any modifications thereof or any other law relating thereto and rules made thereunder from time to time.
09. The contractor shall be liable to pay his contribution and the employees contribution to the employees State Insurance scheme in respect of all labour employed by him for the execution of the contract , in accordance with the provision . The employees State Insurance Act 1948 as amended from time to time and as applicable in this case.
10. In case the contractor fails to submit full details of his account of labour employed and the contribution payable, the Engineer in charge shall recover from the running bills of the contractor an amount of contribution as assessed by him . The amount so recovered shall be adjusted against the actual contribution payable under Employees State Insurance Scheme.

11. The Engineer in charge shall on a report having been made by an inspection staff as defined under the contract Labour (Regulation & Abolition) Act 1970 and rules made thereunder, shall have the power to deduct from the money due to the contractor any sum required or estimated to be required, for making the good the loss suffered by a worker or workers by reason of non-fulfilment of the conditions of the contract for the benefit of workers, non-payment of wages or of deductions made from his or their wages which are not justified by the contract or non-observance of the said Act.

12. The contractor shall indemnify the Corporation against any payment to be made under and for observance of the contract Labour (regulation & abolition Act. 1970 and the rules made thereunder without prejudice to his right to claim indemnity from his sub-contractors.

13. In the event of the contractor committing a default or breach or any of the provisions of aforesaid Act. and Rules made thereunder /amended from time to time or furnishing any information or submitting or filling any Forms /Register / Slip under the provisions of the law which is materially incorrect, then on the report of the Inspecting Officer, the contractor shall without prejudice pay to the Corporation a sum not exceeding liabilities for such defaults including liquidated damages etc. for every default, breach for furnishing, making, submitting, filling materially incorrect statement as may be fixed by the Labour Department and the contractor should indemnify the Corporation against all such liabilities

MODEL RULES FOR LABOUR WELFARE:

1.1.1 The Contractor shall at his own expense comply with or cause to be complied with Model Rules for Labour welfare as provided under the rules framed by the appropriate Government from time to time for protection of health and making sanitary arrangements for workers directly or indirectly on the works. In case the contractor fails to make arrangement as aforesaid, the engineer in charge shall be entitled to do so and recover the cost thereof from the Contractor.

1.1.2 Failure to comply with Model Rules for Labour welfare, safety code or the provisions relating to report on accidents and to grant Maternity Benefit to Female workers shall make the contractor liable to the corporation as liquidated damages an amount not exceeding Rs.50.00 for each default or materially incorrect statement. The Decision of the engineer in charge in such matters based on reports from the Inspecting Officers shall be final and binding and deducting officers shall be final and binding and deductions for recovery of such liquidated damages may be from any amount payable to the contractor.
