

Electrical		
1	A Test book of electrical technology Vol. -I	1356
2	Practical Eletrical Wiring & constructing	176
3	Workshop Technology II	1639
4	Workshop Technology I	1638
5	Electricity Supply Meters	182
6	Electrical Machines Vol. -3	2396
7	Electric are & Osy-aetylenc welding	1509
8	Workshop Technology III	1640
9	Preventive Maintenance of Electrical Equipment	173
10	A Text book of electrical technology vol -II	1357
11	The Junction Transistor & its application	839
12	A.C.Switchgear	181
13	Transistor cercuit analysis & design	840
14	Fundamentals of Tool design	941
15	Instrumente Technology P- III	883
16	Indian Standard code for unfired pressure vessels	1077
17	National Electrical Code 1985	2905
18	Instrument Manual 1970	1098
19	Instrument Manual	1191
20	Systems Engineering for the process industry	398
21	Instrument Technology Vol. II	882
22	Instrument Technology Vol. I	881
23	Fault Calculations	174
24	Power system stability Vol.-III	179
25	Power system stability Vol.-I	177
26	Power Station and substation maintenance	2397
27	Industrial units insruction book	189
28	Electrical Machines - 1	2394
29	Electrical Machines - 2	2395
30	Heat Engines	1374
31	R.C.A. Receiving Tube Manual	979
32	Centrifugal Pumps	185
33	Spare parts management	2324
34	Motor selection and application	172
35	Principles of alternating current machinary	164
36	New compressed Air and Gas data	916
37	Protective relays their theory and practice	1822
38	Machine shop	1378
39	Loco Fitter & Foreman Guide	938
40	Preventive maintenance of electrical equipment	167
41	Industrial electricity Vol. II	349
42	Metalculting machine tools	1505
43	Design of Industrial exhaust system	188
44	Machine tool design	1503

45	Machine tool design	1504
46	Pump operation and maintenance	352
47	Gas welding & cutting	1507
48	Electrial equipment in mines	805
49	Metal cutting tool production	1506
50	Elements of lathe work	1508
51	Electric Motors	2322
52	Repair of industrial equipment	2398
53	Piping hand book	977
54	Bins and bunkers for handls bulk material practical design	2038
55	Electrical Measurments & Measuring instruments	180
56	Welding Engineering H.Book Vol.-I	3003
57	Welding Engineering H.Book Vol.-I	3272
58	Welding Engineering H.Book & Directory Vol.-II	3273
59	Mining Electronics and Instrumentation	2284
