Sub: Enquiry for Quotation for Replacement of 04 Nos. Mufflers (Silencers) for 02 Nos. 1010 KVA DG Sets, Make – M/s Cummins, Installed at MRS, Turamdih Mines

Dear Sir,

You are requested to submit your competitive quotation for the replacement of 04 Nos. exhaust mufflers (silencers) for 02 Nos. 1010 KVA DG Sets of M/s Cummins make, 1010 KVA capacity, installed at MRS, Turamdih Mines.

The existing exhaust mufflers are in severely deteriorated condition due to extensive rusting and prolonged exposure to adverse weather conditions. In view of the criticality of the DG sets as emergency power backup, replacement of the existing mufflers is required on an urgent basis.

1. The scope of work shall include, but not be limited to, the following:

- 1) Design and fabrication of 04 Nos. exhaust mufflers (silencers) suitable for the existing Cummins 1010 KVA DG Sets, as per site requirements and existing arrangement.
- 2) Supply of all required materials, including plates, pipes, flanges, supports, fasteners and other accessories required for complete installation.
- 3) Dismantling/removal of the existing damaged mufflers, wherever required.
- 4) Transportation of fabricated mufflers and required materials to MRS, Turamdih Mines.
- 5) Complete installation and fitment at site, including necessary welding, cutting, alignment, supports and other associated works.
- 6) Ensuring proper connection with the existing exhaust system and satisfactory fitment without adversely affecting the operation of the DG sets.
- 7) Testing and commissioning of the installed mufflers after completion of the work.
- 8) Any other minor work/accessories required for successful completion of the job shall be deemed to be included in the quoted price.

1	Design, fabrication, supply and replacement/installation of exhaust mufflers (silencers), including all materials, transportation, dismantling, installation, testing and commissioning, complete in all respects	04 Nos.		
2	GST @ 18%			
3	Grand Total including GST			
4	In Words:			

The quoted rate shall be inclusive of all materials, labour, transportation, loading/unloading, fabrication, dismantling, installation, testing and commissioning, except GST, which shall be indicated separately.

The quotation should preferably be submitted on the firm's letterhead, duly signed and stamped, clearly mentioning the following:

- GST registration number.
- PAN number.
- Validity of quotation shall be 60 days.
- Delivery/completion period will be 90 days.
- Warranty/guarantee will be 12 months for the date of installation.
- Payment terms upto 60 days.
- GST rate applicable.
- Total quoted amount including GST.

The bidder may visit the site, if required, for inspection and measurement of the existing arrangement before submitting the quotation.

The work is of urgent nature considering the critical requirement of the DG sets for emergency power backup. Hence, preference may be given to firms having adequate technical capability and experience in fabrication and installation of industrial DG exhaust systems/mufflers.

You are requested to submit your lowest and most competitive quotation at the earliest for further necessary action.

4. Payment Terms:

- 1) The successful L1 party shall be eligible to submit an RA Bill upon satisfactory completion of the supply, fabrication, installation and testing/commissioning of 02 Nos. mufflers (silencers) in one DG Set.

- 2) Payment against the RA Bill shall be released after joint inspection and certification of satisfactory completion of the work by the Engineer-in-Charge/concerned UCIL representative.
- 3) The remaining 02 Nos. mufflers for the second DG Set shall be supplied, installed and commissioned thereafter, and the final bill shall be submitted upon satisfactory completion of the entire work.
- 4) Payment shall be made as per the accepted rates and terms of the order, subject to statutory deductions as applicable.
- 5) No payment shall be made for incomplete or unsatisfactory work. The mufflers shall be considered complete only after proper installation, fitment and satisfactory trial/testing of the concerned DG Set.

5. Security Deposit and Agreement:

- 1) Before commencement of the work, the successful L1 contractor shall execute the required Agreement with UCIL and comply with all applicable contractual formalities.
- 2) The contractor shall deposit 5% of the total value of the Work Order as Security Deposit (SD) before commencement of the work, in the prescribed form acceptable to UCIL.
- 3) The total Security Deposit shall be 10% of the total value of the Work Order. The balance 5% SD shall be recovered from the contractor's Running Account (RA) Bills, at the prescribed rate, until the total Security Deposit reaches 10% of the Work Order value.
- 4) In exceptional cases of work contracts, the approving authority may consider recovering the balance Security Deposit amount from the 1st Running Account (RA) Bill of the contractor, instead of recovering the same progressively from subsequent RA Bills.
- 5) The Security Deposit shall be governed by the applicable UCIL rules, terms and conditions of the Work Order and shall be liable for adjustment/forfeiture in accordance with the contractual provisions in case of default, non-performance or breach of contractual obligations.
- 6) The contractor shall commence the work only after execution of the Agreement and fulfillment of the applicable Security Deposit requirements, unless otherwise specifically permitted by the competent authority.

6. Tender/ Quotation to be deposited in the office of Manager (Per's), Turamdih from 20/08/2026 up to 28/08/2026 (12:00 AM) and will be opened on same day at 3:30 PM at Turamdih Office.
